Tim:

Can you please draft a license plate bill for us that would add six more designations under s. 341.14(6r)(f) to the military license plate? We're not creating a new plate, just more decals.

The designations are:

U.S. Air Force Academy
U.S. Naval Academy
U.S. Military Academy
U.S. Merchant Marine Academy
U.S. Coast Guard Academy
Civil Air Patrol

Any questions, give me a buzz. Thanks!

~~Analysis by the Legislative Reference Bureau~~

Under current law, any group or organization may apply to the department of transportation (DOT) for designation as an authorized special group. If the application is approved, members of the authorized special group may obtain special distinguishing registration plates for certain vehicles, including automobiles and motor homes that are owned or leased by special group members. A fee, in addition to the regular registration fee for the particular kind of vehicle, is assessed for the issuance or reissuance of most special plates.

Before October 2, 1998, authorized special groups whose members may obtain special distinguishing registration plates were specifically enumerated in state law. Current law provides that specific enumeration in state law of authorized special groups is limited to those special groups enumerated before October 2, 1998.

Currently, "civil air patrol", "national guard," and other similar entities are not capitalized in the statutes. I think it's OK to make an exception for special license plates, especially since it refers to a special group (the functional equivalent of an organization, which our drafting conventions capitalize).

MEMORANDUM

To: Representative Freese

From: Timothy N. Fast, Sr. Legislative Attorney, (608) 266-9739

Subject: Technical Memorandum to **2003 AB-194** (LRB -1736/2)

We received the attached technical memorandum relating to your bill. This copy is for your information and your file. If you wish to discuss this memorandum or the necessity of revising your bill or preparing an amendment, please contact me.

April 3, 2003

To: Legislative Reference Bureau

From: Department of Transportation

Re: Technical note, 2003 AB 194 (2003 LRB-1736/2)

The Department of Transportation would like to note the following.

1. AB 194 adds to the list of authorized special groups, the military academies and the civil air patrol. S.341.14(6r)(b)1. requires that DOT issue a special group plate to "a member of the applicable special group." However, it is not clear in AB 194 who is actually in the authorized group – for example, is it attendees at the academies, alumni of the academies, persons interested in displaying pride in the academies, etc. The bill should be amended to clarify who exactly is in the authorized special group.
2. Section 7 of AB 194 adds these plates as exceptions to the law mandating only DOT-designation of authorized special groups. Page 2, line 15, eliminates the exception for (f)55., which is the Packer plate. Page 3, line 2, adds back in the exception for (f)54., which is the Ducks Unlimited plate. This may be a typographical error that LRB may wish to check.
